Dear Hiring Manager,

I am writing to express my interest in the Virtual Assistant position. With hands-on experience using Jungle Scout, Keepa, and Amazon Seller Central, I am confident I can support your team effectively. At InfinaLab LLC, I performed detailed Amazon product research and managed Sponsored Ads for over 40 products, improving ROI through data-driven keyword analysis and bidding strategies.

I also bring strong computer literacy and data entry skills, ensuring accuracy and efficiency in daily tasks. My background in project management and cross-department coordination means I can help streamline your operations and communication.

I am eager to bring my skills in Amazon product research and campaign management to your company. I look forward to discussing how I can contribute to your team's success.

Thank you for your time and consideration.

Best regards,

Jian Carlo Estaniol
